ProGreen

Green feed loose lick supplement

ProGreen is a loose lick supplement designed to deliver the key nutrients required for sheep and cattle on lush green feed.

Why use it:

- ❖ For use on lush rapidly growing pastures or fodder crops
- ❖ Increases utilisation of every mouthful of feed
- ❖ High concentrations of fermentable carbohydrate to balance the typically high protein levels experienced when grazing lush forage crops or pastures.

Features:

- ❖ Multiple forms of magnesium for support of the smooth muscle contractions associated with digestion.
- ❖ Balanced macro and micro minerals and essential vitamins and probiotics for optimal health and performance
- ❖ Contains antioxidants to minimise energy wastage
- ❖ Contains trace Elements, Cobalt, Copper, Iodine, Manganese, Selenium & Zinc
- ❖ Contains Vitamins A, D and E
- ❖ Has a level of moisture resistance

Nutrient Level (DM Basis)	%
Crude Protein	5.4
Crude Fat	1.4
Sodium	5.9
Magnesium	11.0
Calcium	11.6
Sulphur	5.0
Phosphorus	3.1

Net Contents: 25kg Loose lick, ready for use in sheep and cattle.

Dose Rate:

Sheep 20g/head per day

Cattle 80g/head per day

Directions for use:

- ❖ Provide ad lib, stock will regulate intake as required.
- ❖ Provide 2cm headspace for sheep and 5cm headspace for cattle in open free draining containers where stock gather regularly.
- ❖ Provide only daily amounts over the first ten days to ensure gorging risk is reduced. Increase to every second day once intake is consistent.

Withholding Period:

NIL

Warning

Feed only to sheep and cattle. Do not feed to dogs, pigs, horses (or other equids), poultry as it may prove fatal.

Additional User Safety Information:

Avoid contact with skin and eyes and avoid breathing dust. If skin contact occurs, remove contaminated clothing and wash skin thoroughly. If in Eyes open, flood with water for at least 15 minutes and see a Doctor. Poisonous if swallowed. If poisoning occurs, contact Doctor or Poisons Information Centre Phone 13 11 26.

Storage: Store below 30°C (Room temperature) in a dry place. Protect from direct light.
